

Vista Pivot™

IMPACT & NON-IMPACT RATED
Pivot Doors

#22410

An Innovative Spin on Doors

Make an architectural statement and a grand entrance with our Vista Pivot™ doors. These unique doors deliver massive style, while taking up little space, since they rotate within their own footprint. Choose from sleek, stunning aluminum or warm, rich wood clad interior finishes. Vista Pivot™ can be constructed to a height of 14' and a width of 100", providing breathtaking solutions for any commercial or residential application.

At Euro-Wall, everything we do is Superior by Design. We constantly push ourselves to provide the highest quality doors with the largest views to give you the freedom to design without limitations.

Features & Benefits

Fully Flush Thresholds

Don't get tripped up. No sills are necessary, providing a smooth, seamless entry.

Matching Fixed Units

Complement your aesthetic with available impact-rated transom and sidelight units.

Massive Panel Sizes

Enjoy the view through up to 168" tall / 100" wide panels with both impact and non-impact ratings.

Beauty & Flexibility

Customize your door with many options for muntins, simulated divided lites, mid-rails, wood and aluminum cladding.

Long-Lasting Finish

Take in the beauty for years. Our standard finish coating meets the AAMA 2605 high-performance specification, the highest quality finish available.
